

**MEMO ENDORSED**

The Court is in receipt of the below letter advising the Court that Plaintiff desires to withdraw the case because he believes his claims are deficient and because he is concerned that he might be subject to retaliation from defendants because he believes they are members of an organization referred to as the "Proud Boys." Plaintiff also advises the Court not to drop the case and asks whether he should drop a particular defendant due to possible retaliation. Plaintiff also provided an incomplete notice of voluntary dismissal form. The submission does not make clear whether Plaintiff wishes to proceed with his claims or to dismiss his claims. To the extent he wishes to dismiss his claims, he can complete the voluntary dismissal form attached to this Endorsement and include the names of the parties that he wishes to dismiss. If Plaintiff wishes to instead amend his complaint to assert causes of action related to alleged harassment he can submit an amended complaint. The Clerk of the Court is directed to mail a copy of this Endorsement to pro se Plaintiff at his address listed on ECF and to show proof of service on the docket.

To the United States Federal Court System

I Eric Wynn decided to withdraw the case because Tucker – Albin & Assoc.

Is a collection agency that did not identify themselves as a collection Agency for debt? When they contacted me via e mail?

Second reason is that the collection Agency of Tucker Albin Assoc of Texas is owned by and their member including their executives that are high up in the company are members of the Proud Boys group In Texas, USA.

And so, for my personal safety and passably the safety of my Family members;

I decided to withdraw the case,

Now Regus my account I terminated back in ~~2019~~ <sup>2020</sup> I will include a copy of the termination letter with this report. so, they should have not have been billing me and should have closed out my account with them.

There was a zero balance on the bill with the last payment.

The fact that they passed off my contact information to a Proud Boys organization via their business entity

So, Regus Knew this because they had my race on the form under Ethnicity or Ethnic Group that is required on their forms when you open up the account with them in order to do business with them. Internally

They stated that it was required by Law.

So, Regus know what Ethnic group I belonged to form the start when they pass it of to Tucker Albin & Assoc. for collections. So, they also know who own the company of Tucker Albin & Assoc.

Now The owner of Green-Jay Ltd dose not Fit the Ethic Group of the Proud Boys nor any other Groups of that nature.

Plus, they kept communicating with me directly so that means that they have my direct contact information; so, given the nature of the group of the Proud Boys a so for my safety and the safety of my company within the credit arena/others.

Thank You

Eric Wynn

I decided to withdraw the case angst Tucker Albin & Assoc. of Texas, USA. For now
